**Modern Slavery Transparency Statement**

## Modern Slavery Transparency Statement

The Modern Slavery Act 2015 (the “Act”) seeks to address the role of businesses in preventing modern slavery from occurring in their supply chains and organisations. As required by Section 54 of the Act, this statement constitutes the slavery and human trafficking statement (“Statement”) for the financial year ending 31 December 2016 for Sagil Capital LLP.

## Policy on Slavery

It is the policy of Sagil Capital LLP to ensure its business and supply chains are free from modern slavery and human trafficking. Sagil Capital LLP will continue to implement and enforce effective systems and controls to minimise, as far as possible, the risk of modern slavery or human trafficking taking place anywhere in its business or supply chains. Sagil Capital LLP expects its suppliers to adopt the same standards it meets itself and will not deal with any organisation that may be connected with slavery in any way.

## Approach to Modern Slavery Act

### Due diligence

Whilst we acknowledge that risk factors are present in all supply chains across all sectors, the sole nature of Sagil Capital LLP’s business is as an asset manager operating in capital markets. This is a low risk industry utilising a high level of information technology and highly skilled labour, and a low level of manufactured goods.

Sagil Capital LLP identified that some parts of its supply chain could pose a potential risk, i.e. third party suppliers who provide products and services for office buildings such as cleaning staff, security staff and courier services.

### Awareness

Sagil Capital educated key stakeholders including the partners of Sagil Capital LLP on the requirements of the Act.

## Approval Procedure and Publication

This Statement will be reviewed annually and updated where necessary to reflect changes in circumstances and actual practice. This Statement has been reviewed by senior management and approved on behalf of the members of Sagil Capital LLP on 23 June 2017.
